Good evening, writing these notes on Tuesday with the transfer deadline approaching on Thursday I have high hopes that by the time you are reading them we will have one or two new faces in our squad. I must admit that I am at the moment feeling totally frustrated at not being able to acquire the type of player needed to strengthen the team over the remainder of the season. So far this season we have felt that a full side clear of injuries would have been good enough to obtain promotion but one cannot legislate for injuries at any Club and overall we have struggled to find that extra bit of quality in our reserves that is needed for us to keep getting results. We have lost in the last few weeks to most of the top teams by the odd goal, which is a great credit to the players who have come into the side and battled away for us, but we have got to be in the position that if we have as many injuries next season we can still get the right results. So even if I have not already signed a couple of players there will definately be new faces around by the start of next season.

Thank you for attending, enjoy the game.

Reserves with Viv Busby

Last week we travelled to Wolverhampton and gave without doubt our best performance of the season winning 6 - 2. It was the way in which we won that was most pleasing, because in the first half we went in leading 2 - 1 with both sides having an equal share of the game.

The beginning of the 2nd half saw us take a 3 - 1 lead, the Wolves made it 3 - 2, it was then that we completely took over the game and showed good skills and commitment to put another three past Wolves, and had it not been for some good goalkeeping and bad luck we could have scored more.

Local lad Neil Sanderson had a good debut in goal for us and the scorers on the night were Pearce 2, Crosby, Canham, Ward and Gabbiadini. A very good team performance with everyone playing in the side doing the right things at the right time.

All entries must be on official entry forms. Responsibility cannot be accepted for entries lost, damaged or delayed in the post. Illegible or altered entries will be disqualified as will those not in accordance with the entry instructions.
 - Entries will become the property of Canon (U.K.) Ltd., and cannot be returned.
 - An entrant in either competition may win only one prize in that competition irrespective of the number of entries submitted. There will be no cash alternatives in lieu of specified prizes.
 - The panel of judges for each competition will include at least one independent member from The Football League Ltd. The judges' decision is final and legally binding in all matters relating to the competitions and correspondence will be entered into only at the absolute discretion of Canon (U.K.) Ltd.
 - Canon Shoot for Goal** - All entries will be examined and the first prize in each of the two Shoot for Goal competitions will be awarded to the competitor who, in the judges' opinion, places all six pictures in the correct sequence. - The first prize for each winning club's supporters will be awarded to the competitor who submits the highest number of points for that club. The runners up prizes will be awarded to the competitors submitting the next ten highest scores. In the case of a tie or ties, a further postal competition between the tied competitors will be held.

We give a big welcome this evening to **BOLTON WANDERERS** on their first visit to Bootham Crescent since 1975. With just 1 point from their last 9 league games Wanderers face the real threat of dropping into Division 4 for the first time in their illustrious history. They started the campaign badly with only 1 point from the opening 5 games but impressive form at Burnden Park enabled them to climb the table and a home victory over Doncaster Rovers on February 2nd lifted them into the top half. Since then they have suffered their bad patch and their defeat last Saturday at the hands of Reading was their 3rd successive home reverse. Their away record is the worst in the whole of the league with 1 win (January 29 - Bristol Rovers) and 16 defeats in 17 outings. They reached the 3rd Rd of the Milk Cup knocking out 2nd Division Clubs Oldham Athletic and Shrewsbury Town before losing to Notts. County but fell at the first hurdle in the FA Cup at Hull. Like ourselves Wanderers still retain an interest in the Freight Rover Trophy having beaten Crewe Alexandra and Rochdale in the earlier stages. Our former manager (November 1977 - March 1980) **CHARLIE WRIGHT** took over the managerial reins from John McGovern midway through the season. In his playing days he was a most popular and respected goalkeeper with Workington, Charlton Athletic, Grimsby Town and Bolton. Players from the following squad are likely to be on duty this evening:

SIMON FARNWORTH — Goalkeeper

A former apprentice he has been regular first choice keeper since making his debut at the start of last season.

JOHN PLATT — Goalkeeper

Joined the Club from Bury during the summer of 1983. He started his league career with Oldham Athletic for whom he made over 100 senior appearances.

BRIAN BORROWS — Defender

Former Everton full back now in his 3rd season with Wanderers. He was voted 'Player of the Year' last season.

JIMMY PHILLIPS — Defender

Local teenager and former apprentice he made

his full league debut on the opening day of the season and is now a well established member of the 1st team defence.

MARK CAME — Defender

Central defender who was signed from non-league Winsford United at the end of last season. He won his first team place in November and has taken over from Northern Ireland International Gerry McElhinney who has been transferred to Plymouth Argyle.

PETER VALENTINE — Defender

Former Huddersfield Town defender this is his 2nd season with Bolton.

RAY DEAKIN — Defender

Liverpool born he served his apprenticeship with Everton but did not make his league debut until

BOLTON WANDERERS

by David Batters

moving to Port Vale. Club captain he has been at Burnden Park since 1982.

WARREN JOYCE — *Midfield*

Young player who has been a regular in the midfield for the last 2 seasons. An all round sportsman he is a talented cricketer and was a Rugby Union schoolboy star.

STEVE THOMPSON — *Midfield*

Has come through the apprentice ranks and made his senior debut in 1982/83. Regular first teamer since the start of last season.

GRAHAM BELL — *Midfield*

Experienced midfielder man who was signed from Carlisle United midway through last term. A former England Youth International he started his professional career with Oldham Athletic making his league debut in 1974/5. He moved to Preston North End in 1979 for £80,000 and spent 4 years at Deepdale.

PAUL LODGE — *Midfield*

Signed in the close season from Preston he started his career with Everton for whom he made a number of 1st Division appearances.

JEFF CHANDLER — *Forward*

Republic of Ireland International he was signed from Leeds United for £40,000 in October 1981. His first league club was Blackpool and he has notched 15 league and cup goals to date this season.

TONY CALDWELL — *Forward*

Last season's top scorer with 22 goals (including 5 in an 8 - 1 home victory over Walsall) and leading marksman this term with 17. Recruited from non-league soccer this is only his 2nd season in league football.

GEORGE OGHANI — *Forward*

Another signing from non league football he made his debut last season, 14 goals to his credit this campaign but he has not found the net since he scored a penalty against us in our defeat at Burnden Park back on November 6.

WAYNE FOSTER — *Forward*

Former England Youth International he has made over 90 league appearances for Wanderers but has been out of the side in recent months.

SIMON RUDGE — *Forward*

Another former apprentice who established himself in the senior side last season. He scored Bolton's other goal in our defeat at Burnden Park.

STEVE SAUNDERS — *Forward*

A youngster who has served his apprenticeship with the club but his progress has been affected by injuries.

Intermediate Scene with Ian Hope

I have been inundated with requests for a trial from schoolboys due to leave school this year. There has been a steady flow of letters over the last three months (we have already held three full scale trial matches) and it is going to be impossible to give everyone a trial.

Generally speaking, schoolboys who are recommended in the first instance, turn out to be of a higher standard than the majority of boys who write for a trial. However, we do check on the ability of all applicants.

This coming Sunday will probably be our last trial match when we take a team of schoolboys to play Middlesbrough.

Some boys who have already played in our trials, have been given the opportunity to play in our Intermediate team to see if they can produce the same form at a higher level. Obviously some of the boys who are still at school and who come from away have not had this opportunity, so after Sunday's trial match we will have to arrange a game involving our own Intermediate players and the final squad of trialists.

Thankfully the Inters are up to date with league fixtures so this should not pose any problems. On Saturday we are away to Doncaster Rovers in the Northern Intermediate League and include Andy Stoker in goal in place of the injured Neil Smallwood and the two youngsters from Buckinghamshire, Colin Barker and Stephen Dixon.

IAN

Bolton Wanderers continued —

Bolton Wanderers were one of the original 12 members of the Football League in 1888. Although relegated 5 times they spent only 7 seasons out of the top flight up to 1964. Since then, however, when they suffered relegation for the 6th time, they have only spent 2 seasons in the top grade (1978-80). They dropped into the 3rd Division for the first time in 1971 but within 2 years bounced back as champions and in 1978 were 2nd Division champions. Regretfully the Club's fortunes have gone into decline since 1980 and they returned back to the 3rd in 1983 finishing 10th last season. Their highest ever placing in the 1st Division was 3rd which they achieved 3 times. They have won the FA Cup 4 times (1923 the first Wembley final, 1926, 1929 and 1958) and been runners-up on 3 occasions and in 1976/7 reached the semi-final of the FL Cup. We have met 3 times in the FA Cup losing to Wanderers in 1950/1 and 1957/8 but beating them in Rd 3 in 1970/1. Tonight's game is the 10th league match between our Clubs and we still have to beat the Trotters at Bootham Crescent.

MINOR LEAGUE AND YORK SCHOOLS F. A.

The local school's league programme is drawing to a conclusion and some of the league championships are already decided. Tadcaster West Junior School are Primary A winners, just emerging at the top of a very tight situation. Hob Moor are convincing and worthy champions of League B, as are Copmanthorpe 'B' in League D. Primary C League is not decided yet but Derwent are guaranteed a position of at least joint champions. Copmanthorpe 'B' are the only Primary School team to go through the season undefeated. The Junior Cup semi-finals produced the following results:— Tang Hall 5, Woodthorpe 1; Tadcaster West 3, Carr 1. And so Tang Hall and Tadcaster West face the prospect of an exciting final. Joseph Rowntree School beat Archbishop Holgate G. S. by 2 - 1 in the Wilf Meek (Under 14) Cup Final and congratulations also go to Tadcaster G. S. who have reached the final of the County Green Howard (Under 16) Competition after a fine 5 - 0 victory over Raincliffe School, Scarborough. Our guests this evening are the Junior Squad of the British Sugar Minor League team. We welcome the boys and their team officials to Bootham Crescent and we hope they enjoy the occasion.

ARCHIE TAYLOR

Born in 1939 at Doncaster **ARCHIE TAYLOR** played for his home town Club as an amateur before signing professional terms with Bristol City in 1958. He made his league debut in 1959/60 and went on to play for Barnsley, Mansfield Town, Goole Town, and Hull City before joining Halifax Town in 1963. In 4½ years at The Shay, he made 173 league appearances and scored 18 goals. He had a short spell with Bradford City before moving to Bootham Crescent in October 1968. He scored on his debut for City on October 5, 1968 in a 4th Division home victory, 4-2 against Bradford Park Avenue and soon became popular with the fans. He had tremendous pace and a fierce shot and could operate down either flank. One of the most important goals he scored for the Club was a last minute equaliser he netted in a 3rd Rd. FA Cup replay at Cardiff in January 1970 and City went on to win the second replay. He played an important part in the promotion season of 1970/71 making 39 appearances but was not retained at the end of the campaign and moved into non-league football. Archie still retains an interest in City's fortunes and is often to be seen at home matches.

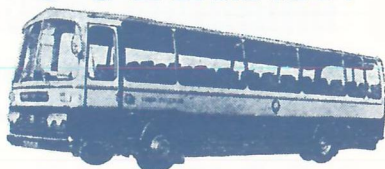

DES THOMPSON

Son of the former City goalkeeper who played for the Club in the Midland league days in the mid 1920's **DES THOMPSON** was born in Southampton in 1928. He was signed from non-league Gainsborough Trinity in January 1951 and soon made his debut in the Northern Section side, quickly establishing himself in goal. Very agile and a sound handler of the ball he was first choice keeper throughout his stay at Bootham Crescent. He attracted the attention of senior clubs and in November 1952 was transferred to 1st Division Burnley for the then sizeable fee of £7,350. In 2½ years at Turf Moor he made 62 league appearances before moving to Sheffield United in 1955. He spent 9 seasons with "The Blades" chiefly as understudy to England International Alan Hodgkinson and retired from the league scene in 1964. Des came from a goalkeeping family — his brother George was one of the league's most respected keepers in the 1950's with Scunthorpe, Preston North End and Carlisle United.
